 Product Support

# Introduction

Thanks for choosing our AUX2 Bluetooth Receiver. It works with almost all Bluetooth devices and all cars with a 3.5mm input. Stream audio through 3.5mm input in car stereo and enjoy your favorite music from phone/tablet/MP3. Just plug into your Aux port and sync it with your phone's Bluetooth. To have a better experience, please read this instruction carefully. Dual USB ports QC3.0 & 5V/2.4A could be used to charge the external device.
